WHAT IS DISCRIMINATION?
Discrimination is an action or a decision that treats a person or a group badly for reasons such as their race, age or disability. These reasons, also called grounds, are protected under the Canadian Human Rights Act.
https://www.chrc-ccdp.gc.ca/en/about-human-rights/what-discrimination

COERCION The intimidation of a victim to compel the individual to do some act against his or her will by the use of psychological pressure, physical force, or threats. The crime of intentionally and unlawfully restraining another's freedom by threatening to commit a crime, accusing the victim of a crime, disclosing any secret that would seriously impair the victim's reputation in the community, or by performing or refusing to perform an official action lawfully requested by the victim, or by causing an official to do so.

INVOLUNTARY GENETIC TESTING (PCR?) IS CRIMINAL SAYS SUPREME COURT OF CANADA, private person (wo/man at common law) ,August 16, 2021
Know, claim and defend your rights as a private person at common law
https://private-person.com/blog/2021/08/involuntary-genetic-testing-pcr-is-criminal-says-supreme-court-of-canada/

IS A PCR TEST 'GENETIC TESTING'?
Requiring or forcing a person to be genetically tested, or "punishing" someone for not doing, so is a criminal offence in Canada. The recent Supreme Court of Canada (SCC) decision was more on point for other types of 'genetic tests" BUT PCR testing is a form of genetic testing (meets the legal definition) and should fall under the recent SCC decision (as might the C-19 vaxxes).
